"Except ye abide in the vine,"-[Jesus, From the infinite kingdom of love, Across the sweet isles of the blest Where the pure and anselfah in heast Ablde in the shadowies rest, Signis over the tyre of my soul.
A strain of this poem divine, "Ye cannot bear fruit in yourselves,

Except ye abide in the vine." I list to the sidme of the bells That calls the believer to prayer. As its story of worship it tells To the tremulous chords of the sir, While the wall of the scourged and oppo-Breaks into each wave of its time,

times Wilkes Booth would join us. He would frequently tell us, when we asked him where he'd been so long—for we would not see him around sometimes.

There were no interruptions from that time on.—New York Herald.

Che Hew Housest.

[Che Hew then of 27, but I also remembered that he had me at a disadvantage.

"Hold on, John," I cried, throwing up my hands; 'I am not fixed. If you fire now you will prove yourself a coward. Let me go home and get fixed and we'll have this out—shoot on sight, if you axy so.'

THE HOME.

[This department of the New Nontum rest is to be devoted to the homeshold, have and give den. Correspondents having now and sried recipes for any department of domestic occurrence of the Northwest.

The Creat Commercial Center position will confer a public favor by contributing to this column.]

times Wilkes Booth would join us. He would requently tell us, when we asked him where he'd been so long—for we would not see him around sometimes for days, and then he would suddenly appear—that he had been taking—herse hask rides. He used to argae with no on the merita of the Southern cause.

"On the afternoon that the Marine band serenaded, Lincala when he returned from his visit to Richard and our return went to the office of C. D. Hers, who was manager for fir. Grover, we were playing "Aladdin" at Grover's, and Miss Effic Germon was leading haly. She was in Mr. Hess's office with the others, if I remember right. At all events, Booth came in sud greatly interrupted us with his violent secession talk. I think this was on the Wedness day before the assessionalion. Booth in the way succession talk. I think this was on the Wedness of the best to the captor. There were no interruptions from that the would studiedly appear and the mere had been as long-for were an interrupted us with the way a newspaper should be atopped."

There were no interruptions from that the would studiedly and the would sometimes by electricity.

The would not see him around sometimes for days, and then he would smidledly appear and then he would smidledly appear and then he would smidledly appear and the he would smidledly appear and the head to he captor that he had been taking horse that the Marine bank rices. There were no interest the best follow-to green the life of the leader of the leader of the caller hands. There were no interest to some the day of small hands at the thing among the Durch had the mainty of the best into the claims of more thank the stating horse that the days of small had the trained of the results and as they fired at the tender of the caller hands as they fired at the leader of the tender of the caller hands. They were in a farming to escape they ran around in a circle three hundred yards in diameter, and were shot down. After awhile a new leader broke out of the sealer hands in diameter, and were shot down. Af

"I had just that meiodramatic and foolish binster, and was silly enough to be in carmed in what I said; for Booth, after looking at me a minute, put up his pictol and said:

"You want to be prepared the next time you see me;" and I went home and got my revolver, but didn't see Booth again that everling.

"The next morning, which was the day of the assassination, I went around to Ford's theater to see Miss Laurant Keene, and, passing down the front lobby, supposing that a rehearsal was in progress, I saw H. Chay Ford and also Booth, who turned toward me, and, as I supposed, made a movement to carry his threat into execution. I had on a light overcout and my revolver in one light overcout and my revolver i
